Website & Mobile App Projects

Website Development

What We Built:

- ✓ A modern, fully responsive website
- ✓ An advanced property search system
- ✓ Seamless navigation for an intuitive user experience

Results

+40% increase in online property inquiries

Faster loading times and improved site performance

A user-friendly interface that enhances engagement

The screenshot shows the homepage of SAXINGER Rechtsanwalts GmbH. At the top, there is a navigation bar with the logo 'SAXINGER law. tax. clarity.', followed by links for 'LAW TEAM', 'KARRIERE', 'OBER'UNS', 'INTERNATIONAL', 'NEWS & JUSFUL', 'VERANSTALTUNGEN', 'KONTAKT', and 'DE'. A search icon is also present. Below the navigation is a large banner featuring a man in a suit holding a coffee mug, standing in front of large letters spelling 'Wir'. The banner includes a cookie consent message: 'Diese Webseite nutzt Cookies, um Ihnen bestimmte Funktionen anbieten zu können sowie zur Erfassung anonymisierter Daten für Analysen, die uns helfen, unsere Website stetig zu optimieren und nutzerfreundlich zu gestalten; Hierbei kommen auch Cookies von Drittanbietern zum Einsatz.' With buttons for 'ICH STIMME ZU' (purple) and 'ICH STIMME NICHT ZU' (grey). Below the banner is a search bar labeled 'Personen finden' with a placeholder 'Name' and a magnifying glass icon. To the right is a section for 'SAXINGER Rechtsanwalts GmbH.' with the tagline 'law. tax. clarity.' and a descriptive paragraph about their mission to create innovative, pragmatic, and economically sound results.

Website & Dashboard

What We Built:

- ✓ A user-friendly salary tracking dashboard
- ✓ A sleek, responsive website
- ✓ Seamless integration with financial tools

Results

Streamlined payroll management for businesses

User-friendly, secure dashboard

Faster, more efficient salary processing

A composite image showing the PayChecker website and mobile application. The top half shows the desktop website with a green header, a 'Welcome to PayChecker' hero section, and a 'Join Us Today!' button. The bottom half shows the mobile app's home screen with a similar layout, including a 'Discover Fair Pay Practices' section and employee statistics like average salary (\$32,831.00) and number of employees (362). Both screens feature the PayChecker logo and navigation menus.

PayChecker Dashboard

Secure Access Control

The screenshot shows the PayChecker dashboard interface. At the top left is the logo 'PAYCHECKER'. A search bar with placeholder text 'Search...' is positioned at the top center. On the right side, there is a user profile for 'Samantha Rachel' with the email 'jeremy@mail.com'. Below the header, a sidebar on the left lists navigation options: Dashboard, Employee Data, Salary, Comparison Tools, Validation & Alerts, Salary Indicators, Job Coding Assistance, and Account Management. The main content area features a 'Welcome Samantha' message and a subtitle 'This is your overview statistics'. It displays two key metrics: 'Average salaries' (\$32,831.00) with a 23.50% increase, and 'Number of employees entered' (362) with a 12.00% decrease. A toggle switch labeled 'Alerts for any salary discrepancies' is also present. Below these metrics is a section titled 'Recent Activities' which lists five entries from users Andy Jonathan and Garry Stephens, each with a timestamp.

| User | Action | Timestamp |
